## **PRE-GENERAL ASSEMBLY**

Want a taste of what UUCSJ is all about? Join us before General Assembly in Portland, Ore., on June 24 for a one-day sampler exploring the call to social justice.

Get ready to investigate oppression and social change, then dive into the pressing issue of climate justice. Working with climate activists, you will learn and decide how to be part of a vital movement. The day will conclude with action plans to engage in justice work during General Assembly and when you return home.

**Sign up during General Assembly registration!**
